

There is no better way to set the visual or acoustical ambience of a garden landscape, pathway, courtyard atrium, pool / patio area, or other outdoor / indoor setting than with an **OWI** Landscape Garden Speaker. This speaker adorns without detracting from its environment. Producing 360° of sound and optional low voltage lighting adds to the beauty and style of the Landscape Garden Speaker. Designed and made in the U.S.A., the Landscape Garden Speaker is built to withstand more than 250 pounds of standing weight, and comes UV-light resistant, bug, puppy and lawnmower proof. Each Garden Speaker can also be secured against most theft.
